We kissed and hugged each o - ther Like a new born child its mo - ther Oh
 And now as I look back - To when we strolled that bea - chy track Fond
 Im - pos - si - ble to say - If we'll meet - some o - ther day -

F *F#dim* *Gm* *D7* *Bb* *D7* *C7* *D7*

how I loved your dim - ple smile Your sun - burned skin so soft and mild **Ref.** But it was just to last
 me - mories I will al - ways hold Oh how we hugged as it got cold But it was just to last
 I'm hop - ping - it comes true Some - how my love was more for you But you were just to last

Bb *Eb* *C* *F* *Am* *Bb* *To Coda* ⊕

Just like all the o - thers in the past A few short hours of love And next day you're gone
 Just like all the o - thers in the past A few short hours of love And next day you're gone
 Just like all the o - thers in the past A few short hours of love And next day you're gone
